**Mining Antiques in Marion**  
 By Nancy MacKenzie

Antique enthusiasts and dealers filled Tabor Academy's auditorium this past weekend to attend the 14th annual Marion Antiques Show and Sale. Over seventy dealers from around the country set up booths displaying an array of heirloom-quality furniture, oriental rugs, lamps, art, painted furniture, and other specialty items such as whaling artifacts and primitive pieces.

The event kicked off with a preview party Friday evening which was attended by almost four hundred area residents and visitors who enjoyed delicacies and drinks provided by local caterers.

Kathleen Levine, co-chair of the show committee, has been helping to organize this event for the past four years. The show is designed to benefit the Sippican Historical and Preservation Society by providing funds for projects designed to keep Marion beautiful. In addition to helping restore and renovate many of the town's older public buildings, gardens, and public areas, the Society also helps fund programs for Marion's public schools.

The annual show has been dubbed "The Little Gem of New England" and draws over 70 dealers each year. (Photo courtesy of Frank McNamee).

Ms. Levine said that the show is known all over New England "as one of the little gems of antique shows."

Approximately four thousand people attend the weekend event each summer. "We have people coming from New York, New Jersey, Rhode Island and the Boston area," said Ms. Levine, adding that there is a "little something here for everyone."

This year Derek Raymont, of Raymont Antiques, came to the show all the way from Cheshire England to exhibit antique barometers made in France and England during the sixteenth and seventeenth centuries. He explained that during that period, farmers, merchants and fishermen were dependent on barometers for planting crops and planning voyages. Craftsmen encased the barometers in wood and glass, ultimately turning them into works of art that would be passed down from generation to generation much like an antique clock.

Although planning for the event is an ongoing process, Ms. Levine praises the support and help of all the volunteers and local business owners who make this project possible. Proceeds from this year's even will be

### Classic Country Fair in Rochester

**By Nancy MacKenzie**

The seventh annual Rochester Country Fair was  
a success again this year with thousands of local residents  
and visitors in attendance to take part in the "Days of  
Yesteryear" activities and celebrations.

Held at Plumb Corner, the fair provided a week-  
end of fun and activities for people of all ages starting on  
Friday evening with the Woodsman Show which involved  
chainsaw, chopping, and log rolling competitions.

Saturday events included a tractor show and a  
military show, an antique car cruise, and various trac-  
tor pulls. Children enjoyed participating in the bicycle  
parade, hula hoop contest, sack races, and frog derby  
(participants were asked to bring their own frogs).

At dusk, the Rochester Fire Department enter-  
tained a huge crowd with a 35-foot high bonfire which  
they made by stacking thousands of wooden pallets. Jeff  
Eldridge, a lieutenant on the Rochester Fire Department,

"It took 8 to 10 tractor trailer trucks to get all those pallets," he said, "The fire was bigger at the base this year than usual."

Despite Sunday morning's rain, the parade went off without a hitch, said organizer Duffy Clapp. Mr. Clapp has been helping to organize and manage the fair since its inception seven years ago. He said perhaps the most special feature of this year's fair was the "Now and Then Photo Booth" and contest put together by Carol Grime.

Ms. Grime said that the photo booth appealed particularly to the older residents of Rochester who en-

### Marion Selectmen's Meeting

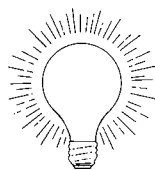

August 22, 2006

By Eletha Yeaton

A regular meeting of the Marion Board of Selectmen was called to order on Tuesday, August 22 at 7:00 pm by Chairman Andrew Jeffrey after adjournment of Executive Session to discuss litigation. Also present were Selectman Jonathan Henry, Selectman Roger Blanchette, Interim Town Administrator Julia Enroth-Whitlock, and Secretary Helene Craver.

The board first approved the minutes of the July 25 and August 1 meetings.

At 7:05 pm, they met with Carl Ribeiro, Chairman of the 2015 Committee. He presented and explained the third draft of the report which focused on the main areas of as presented by the Center for Policy / Analysis of UMA-Dartmouth: Affordability, Diversity, Protect the Town's Character, Stable Taxes, and Items from the 1998 Growth Management Plan. The Committee has consulted with both businesses and residents for input. They suggest that when the final report is made, the committee's work will be done except for follow-up meetings. Selectman Jeffrey suggested that the 2015 Committee should meet with the representatives of each pertinent committee to validate work already done. Mr. Ribeiro asked the

board to look through each item for their input, and they agreed to organize their input. The motion was made and carried to accept the draft, whereupon Mr. Jeffrey thanked Mr. Ribeiro and his committee for their work.

At 7:20 pm, Chairman Jeffrey opened the hearing for placement of a Verizon/ComElectric pole. Their being no objections the motion to approve was carried unanimously.

At 7:25 pm the board met with Mark Morse, from Mass Municipal Association (MMA) Consulting. His purpose is to help the search committee to find a new town administrator. He outlined the process for facilitating the search including job description, collecting data, selection of candidates, interviewing, among others. After his detailed explanation, Selectman Henry remarked that we need to find someone who is not afraid of "turning over the rocks," and may have some possible agenda. On the other hand, the public should be educated as to the Board of Selectmen expectations and what the responsibilities of the administrator are. The public should clearly understand the powers because of the complexity of town affairs and what the administrator must do to the run the town on a day-to-day basis. The Town Administrator is not a politician, but is responsible to the Board of Selectmen. The public should follow this process, set involved, and let the Selectmen know their feelings. Chairman Jeffrey noted that the process needs to be culminated in a fairly short amount of time. He thanked Interim Adminis-

## Animal Advice

### Jay Gould, DVM

#### Excessive Thirst

*My dog is a 10 year old mutt. He has been drinking a lot more water for the past 6 months. At first I thought it was because the house was dry in the winter, but now I'm not so sure. Is this a problem?*

A change in the water consumption habits of either a dog or cat can be an important sign of illness. There are about 15 different disorders such as diabetes, kidney disease, and some hormonal problems that may present initially as increased thirst or excessive urination. It is very important to discuss a change in your pets water consumption with your veterinarian as a delay in diagnosis may result in a more severe illness.

### A Letter to the Editor:

The U.S. Congress is constantly trying to cut Veterans' benefits, monies, and help. These brave souls put their lives on the line for our freedom.

Barry Denham, as Veterans Agent, is dedicated, knowledgeable, and has enormously helped the veterans in Mattapoisett and Rochester. I hope the Veteran's Council will allow this to continue in the future. Bottom line: the Veterans Agent appointment is definitely not a political issue.

Any veteran in Mattapoisett or Rochester should write to the Council with your ideas and feelings. The Veterans Agent and Council are there to help with whatever problems you might have. If you are satisfied with the present Veterans Agent, please let the Council know! The Council is solely responsible for the appointment of the Veterans Agent.

Politics (clean or dirty) has no place where our freedom-responsible veterans are in anyway involved.

Veteran and Past Commander of VFW Post #2892,  
*George P. Randall.*

**ATTENTION DRIVERS**

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

### The Port of New Bedford Hosts the Third Working Waterfront Festival September 23 & 24, 2006

Welcome aboard as New Bedford, America's largest commercial fishing port, hosts the Third Working Waterfront Festival, a celebration of commercial fishing culture, on Saturday and Sunday, Sept. 23-24, 2006. This free, family-friendly event opens the waterfront to the public with a rare look into America's oldest industry.

More than simply a celebration, the Working Waterfront Festival is a unique opportunity for the public to get a firsthand look at the culture of fishing and for the commercial fishing community to tell its own story. The event presents all that goes into bringing seafood from the ocean to the table in a way that is hands-on, educational and fun. Visitors are encouraged to listen and watch, but also to taste, touch and converse.

The Festival brings together a unique array of music presented on two stages. Performances feature tra-

Featured performers include local favorites Ana Vinagre (Portuguese Fado), Aoife Clancy (Irish), Michael Troy (Folk) and GeraSons (Azorean). This year's lineup also features several international performers. Jim Payne and Fergus O'Byrne from Newfoundland will perform traditional Canadian Maritimes music while Kvernevik Gammeldans from Norway will perform Norwegian Folkdances and Pilon Butuku will present traditional Cape Verdean music and dance. Our Saturday evening concert features Knut Bell and the Blue Collar Band. Davy's Locker will be serving a full menu of the finest local seafood including fish and chips, fried scallops, lobster rolls, clam cakes, chowder and a raw bar. Other food vendors this year include: Café Arpeggio serving its own Home Made Ice Cream and Maui Wowi Fresh Fruit Smoothies.

The Foodways Area features cooking demonstrations by galley cooks, ethnic cooks and celebrity chefs. Here visitors are invited to learn the basics of preparing fresh seafood at home as well as ethnic approaches to seafood cooking and galley fare. Mystery writer Philip Craig author of *Dead in Vineyard Sand* and other J. W. ### Eastern Equine Encephalitis (EEE) Virus Confirmed in Mosquitoes from Mattapoisett

The Massachusetts Department of Public Health announced on 8/18/06 that the EEE virus has been detected in mosquitoes collected from Mattapoisett. There was one EEE virus-positive *Culiseta melanura* mosquito sample identified. This particular mosquito does not bite humans, but does bite birds. In 2005, forty-five EEE virus positive mosquito samples were identified in twenty-one Massachusetts towns in six counties.

EEE is a rare but serious illness spread by mosquitoes. Four human cases, two of whom died from the infection, were identified in 2005. While EEE can infect people of all ages, people under the age of 15 and over the age of 50 years of age are at greatest risk for serious illness.

Information about EEE and reports of EEE activity in Massachusetts during 2006 can be found on the

### **Jimmy Fund Walk**

Like many four years olds, William Gauvin loves dinosaurs and spending time with his older brothers, Luke and Joseph, and sister, Olivia. He never misses a chance to make them laugh by making a funny face.

Unlike other kids his age, Willy has medulloblas-

toma, a cancer that requires frequent trips from his home in Mattapoisett to the Jimmy Fund Clinic at Dana-Farber Cancer Institute in Boston for chemotherapy.

"A lot of people have come forward to support our family," said Willy's mother, Kathryn Gauvin. "It's very humbling. Our participation in the Jimmy Fund Walk is an avenue where we can begin to give back."

On Sunday, September 17, Willy will be one of more than two dozen Jimmy Fund patients who will be featured as "Heroes" of the Boston Marathon Jimmy Fund Walk. As a Hero, Willy's photograph will be posted on a mile marker located along the 26.2-mile route from Hopkinton to Boston.

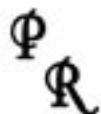

The Boston Marathon Jimmy Fund Walk, presented by Hyundai Motor America, is the only event other than the Boston Marathon itself that is sanctioned by the Boston Athletic Association to use the historic route. Over its 17-year history the Jimmy Fund Walk has contributed more than \$40 million to support cancer research and care at Dana-Farber. This year more than 6,000 walkers are expected to participate in the event to raise more than \$4.75 million for the world-renowned Dana-Farber Cancer Institute.

Among the walkers will be a team of police chiefs who will walk in Willy's honor. His family and friends have also formed a team called Will Power.

All participants on the Hopkinton (26.2 miles) and Wellesley (13.1 miles) routes must raise a minimum of \$200 in contributions; for the three-mile Boston Walk, the requirement is \$200 for walkers age 13 and older and \$100 for walkers 12 and younger. Those who raise more than \$750 achieve Pacesetter status. Pacesetters receive special recognition from the Jimmy Fund and are invited to a celebration at the start of the next Walk season. Participants are encouraged to form teams and walk in honor of those who have been affected by cancer.

Walkers may choose to walk the entire route from Hopkinton to Boston, walk 13.1 miles from the halfway point in Wellesley or join patients and their families in the three-mile Boston Walk from the Harvard Medical School Quad.

The Walk begins in Hopkinton at 7:00 am, in

### **Mattapoisett Birthday Stickers**

Appointed by the Board of Selectmen, the Mattapoisett Historical Commission works to recognize and to help preserve the town's unique history. It is this historical legacy that has kept Mattapoisett sailing smoothly over the past 150 years.

To further support their mission, the Commission designed a bumper sticker that echoes this theme. It was created early on to also help a townwide 150th/Sesqui-centennial Planning Committee build interest and support for the upcoming celebration now in the planning stage for August, 2007.

These stickers may be purchased at various locations, including the Town Clerk's Office, the Historical Society Museum, the Council on Aging (COA) Senior Center and from members of the Commission. The \$2 donation helps finance the Commission's grand "Birthday Party" being slated for May 24, 2007, which will specifically recognize and commemorate the actual date of the town's Incorporation in 1857.

The Commission hopes that the town's heritage of will and fortitude still exists and the stickers encourage all to celebrate Mattapoisett and its colorful history!

### **Mattapoisett Exchange Students**

High school students are coming from around the world to study in Mattapoisett during the 2006-2007 school year. They will integrate themselves into a Mattapoisett family with the goal of experiencing American culture as an American high school student does. In turn they will provide insight into their own culture.

The STS Foundation, a non-profit student exchange organization, is proud to help facilitate these relationships. They have been doing so for the past 20 years and look forward to finding new host families in Mat-

### **Mattapoissett Reading Benefit**

As part of this summer's reading program at the Mattapoissett Free Public Library, children are recording their time spent reading. When they report to the library they are given "play money" representing \$1 for each hour of reading. At the rate they are reading, they will not only meet our established goal of \$1,000, but will likely exceed it!

All proceeds will be sent to the American Library Association Hurricane Katrina Relief Fund to help in the rebuilding of Gulf Coast libraries.

Our children has responded. They set a goal and met it by reading. They have also contributed monetary support:

- Several children donated profits from Summer Lemonade Stands;
- Others, children and adults, have deposited coins and dollars into a Hurricane Relief Pickle Jar; and
- One young family even donated \$500.

Won't you consider helping? This is a win-win opportunity. Support Mattapoissett's young readers as they help others in need. Show our children that their hometown supports their efforts to help others and earn a tax deduction for your contribution! Checks should be made payable to "ALA Hurricane Katrina Relief Fund" and dropped off or mailed to: Mattapoissett Free Public Library, P.O. Box 475, Mattapoissett, MA 02739. For more information, please call 508-758-4171.

## Sippican Choral Society

The Sippican Choral Society announces that its first fall rehearsal will be held at the Reynard Hall of the Mattapoisett Congregational Church on Mechanic Street at 7:30 pm on Monday, September 11. Members should arrive early to register and receive music. New members are welcomed during the first three weekly rehearsals, particularly tenors and basses. Semester dues are \$30.

High School Singers are also welcome, and will not be assessed dues. Current members who sponsor new singers will have their dues discounted by \$5.

Two Holiday Concerts are scheduled for the first weekend in December — one in Marion and one in New Bedford. The program will include classical Christmas favorites and carols.

The Sippican Choral Society is a non-profit organization that was founded more than 40 years ago in the Town of Marion. Since that time, the group has expanded to over 100 choristers coming from all over the SouthCoast and Rhode Island. While many members have musical experience, we are a non-auditioned chorus that welcomes singers with a good ear, a willingness to learn and a love of classical choral music.

"Donations to the Pantry have fallen off lately," said Pantry Administrator Blanche Pepin. Without the benefit of postal and school food drives to stock the Pantry shelves, financial aid is needed to purchase non-perishable items that fill food bags distributed each Saturday morning at the Long Plain United Methodist Church in Acushnet.

"We do need donors who give faithfully every month or even more often," Ms. Pepin said. "Perhaps \$20 or \$25 once a month does not seem to be very much, but if we continue to receive checks like that from enough people, we would have the funds to help us through the summer months and into the fall. Please consider a small donation on a regular basis."

• Calling all Veterans! Looking for information on available services? Have questions about your healthcare? Stop by the Rochester Senior Center on the second and fourth Friday mornings of the month from 9:00 am to 1:00 pm and speak, in confidence, to our experienced volunteer Veterans Services Counselor. He will help you find the information you need.

• We're looking for volunteer group leaders. Do you have a talent you'd like to share? A travel experience you'd like to talk about? An interest in world news discussion or perhaps a favorite author you'd like to talk about? Maybe you're knowledgeable in a particular subject such as world religions, artists, history, writing, stocks, cars, or agriculture. Whatever it is, we'd like to offer a lecture, a class or a series on a given topic here at the senior center. Stop by the center and speak to Sharon about your ideas.

• Would you like to be a Friendly Visitor to an isolated and homebound senior? One hour a week is your only commitment, and we will train you, match you up with a compatible senior to visit, and provide resources and support for your ongoing efforts. Perhaps you know of a neighbor, friend, or relative who would enjoy such a visitor. Please let us know. Please call 508-763-8723 for more information. A comprehensive training for the visiting volunteers has been scheduled for September, and we'd love to sign you up! Just think ... this may be the start of a new friendship!

# MOVIE REVIEW

## Yikessss!

By Rob Gonsalves  
www.robsmovievault.com

***Snakes on a Plane*. Starring Samuel L. Jackson, Julianna Margulies, and snakes. Directed by David R. Ellis. Running time: 105 minutes. MPAA rating: R.**

In case you wondered, it comes about an hour and twenty minutes in: the call and response in the Church of B-Movies, with Samuel L. Jackson as the hellfire pastor. "Enough is enough!" bellows Jackson. "I have had it with these motherf---in' snakes on this motherf---in' plane!" The heavily sarcastic audience at the Thursday-night screening went wild. The entire movie leads up to that line, that delivery of that line, that actor delivering that line in that way.

Is it worth the wait? As someone with a deep appreciation for B-movies done with panache, I'd say yes. *Snakes on a Plane* delivers the goods. How could it not? It does drag a bit in the middle; there are, as it happens, only so many ways you can do snakes on a plane, and the filmmakers' ingenuity peaks early. Still, this is perfectly pleasurable drive-in fare, and would have been even without the incessant Internet hype that we're all a little tired of by now. What's going to be funny is watching Hollywood try to catch this schlock-zeitgeist lightning in a bottle twice. But they can't. *Snakes on a Plane* will be often imitated, never duplicated.

I mourn the loss of original director Ronny Yu, who might've made his *Snakes* as a "crazy mad Hong Kong version," to quote Jackson. But *Final Destination 2* helmer David R. Ellis steps up authoritatively and gets the dirty job done. Jackson's FBI agent Neville Flynn must protect a murder witness (Nathan Phillips) from the vicious ganglord whose baseball-bat antics he inadvertently eavesdropped on. Flynn puts the guy on a red-eye from Honolulu to L.A. to testify. The ganglord arranges to have a wide variety of poisonous snakes (from all over the world, we're told by snake expert Todd Louiso) placed in the cargo hold, with pheromones making them super-aggressive. At a certain point, the snakes dangle down into the coach cabin along with the oxygen masks, and it's showtime.

*Snakes on a Plane* was famously reshot to upgrade it from a milder PG-13 to a harder R rating, and the additional sleaze (snake vs. boob) and

gore certainly don't hurt. Watching it with a snarky crowd amped up for self-aware crapola is a meta experience — every death becomes a home run, every bit of foreshadowing ("Yes, coach is safe," stewardess Julianna Margulies reassures a nervous chihuahua-carting bimbo) an occasion for *MST3K*-style goofing. This is absolutely one of the great audience films, if you see it with the right jaded mix of people (or just go with a large group of like-minded friends). I really don't see it working as well in your living room (unless, again, you invite a bunch of derisive geeks over).

Jackson does his usual Jackson thing; he knows he's there to come across with the Samuel L. Jackson-ness, and he pleases the crowd without too much effort. To be honest, it was more fun watching him gleefully promoting the film on *The Daily Show* than watching him in the actual movie; *Snakes on a Plane* doesn't quite live up to the Great Ultimate Samuel L. Jackson Motherf---in' Movie in your head. But it'll do, and there's fun support from Kenan Thompson as the videogame-addicted Troy, Bobby Cannavale as an FBI desk jockey who finds himself collaring a snake wrangler in the desert when he'd rather be bidding on a black velvet Pam Anderson painting, and David Koechner as the unflappable co-pilot who manages to steer the plane with a Popeye-swollen arm full of venom.

*Snakes on a Plane* is a catchphrase, a marketing triumph, a hipster phenomenon. Fortunately, it's also a slyly entertaining flick divorced from all that, with various satisfying snake kills (many will enjoy the fate of the poor sap who only sought to empty his bladder; others will thrill to the unfair match of insufferable British twit vs. boa constrictor). Best of all, it can't possibly disappoint your expectations, because what are you expecting? There's a plane. There are snakes on it. And there's Samuel L. Jackson. For once, you get exactly what the ads promise.

## SALOME'S STARS

**ARIES** (March 21 to April 19) A troubling situation takes a positive turn and moves toward a resolution that should please you and your supporters. Meanwhile, make time to deal with new domestic issues.

**TAURUS** (April 20 to May 20) It's a good time to reassess your goals and consider shifting directions. Remember to keep an open mind, and be prepared to make changes as new opportunities arise.

**GEMINI** (May 21 to June 20) Rely on your strong Mercury aspect to help you close that communication gap before it becomes too wide to cross. A sibling or other family member has news.

**CANCER** (June 21 to July 22) You're about to get off that emotional roller coaster and start experiencing more stability than you've been used to. This is a good time to let someone new into your life.

**LEO** (July 23 to August 22) Good news: A trusted friend comes through for you. But you still need to shed that last scrap of self-doubt and once more become the cool, confident Cat we all know and love.

**VIRGO** (August 23 to September 22) Things should be getting back to a less hectic pace. Enjoy the more peaceful atmosphere. You earned it. But don't forget about those still-unresolved issues.

**LIBRA** (September 23 to October 22) A more positive family relationship develops as misunderstandings are explained away. A job situation appears promising, but check it out before you act on it.

**SCORPIO** (October 23 to November 21) Congratulations. That on-the-job situation is working out as you'd hoped. Now's a good time to relax and to enjoy the company of family and close friends.

**SAGITTARIUS** (November 22 to December 21) You might feel as if you're caught in an emotional tug-of-war. But don't be rushed into a decision on either side. Wait for more facts before you act.

**CAPRICORN** (December 22 to January 19) The Goat's usually high level of self-confidence is brimming over these days. This should help you deal with a situation that you've avoided far too long. Go for it.

**AQUARIUS** (January 20 to February 18) Relationships become more intense. But be careful not to be pushed into decisions you're not comfortable with. Remember: You're the one in charge of your life.

**PISCES** (February 19 to March 20) You need to show more confidence in your ability to reach your goals. Make that long-delayed decision, and avoid floundering around in a sea of self-doubt.

**BORN THIS WEEK:** Although you appear to be strongly opinionated, you can also be open to other ideas -- so long as they are presented with logic and clarity.

A PRAYER TO THE BLESSED VIRGIN  
O most beautiful flower of Mount Carmel, fruitful vine, splendor of Heaven, Blessed Mother of the Son of God. Immaculate Virgin assist me in my necessity. O Star of the Sea, help me and show me here you are my Mother. O Holy Mary, Mother of God, Queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to secure me in my necessity (make request). There are none that can withstand your power. O Mary conceived without sin pray for us who have recourse to thee (3 times). Holy Mary, I place this cause in her hands (3 times). Say this prayer for three consecutive days and then you must publish; it will be granted to you. K.
